

Cold world I loved you.

e

But you treated me unkind.

So it's ti-ime, that I sa-ay

A7

A7 slided up 3 frets

That I say, swe-et good bye.

B7

e

No, I don't blame you.

Yes, I know it was my fault.

That I turned to the dreamer.

Dre-eam, goodbye.

It's raining down

a7(5 fret) a6

The same old town.

B7 E7 (7 fret)

Now or never,

a7 a6

You can cro-oss this river

B7 E7

To my heart.

a7

No religion,

a6

Just a cra-azy vision

B7 E7

In my mind.

a7

All or nothing,

a6

No more money

B7 E7

In this game.

a7

I remember,

a6

Last December

B7 E7

When I died.

a7

Read the lines,
a7 a6
But nothing inbetween,
B7 E7
Occasionally.
a7

Bleedin' hearts,
a6
With a-all dry eyes,
B7 E7
Occasionally.
a7

Down with luck,
a6
And the upper comes on hard,
B7 E7
Occasionally.
a7

So, hold on tight 'cause
a6
You're goin' for a ride,
B7 E7
Occasionally.
a7

And how do I know all that I feel?
a6 B7
And how do I see,
E7
Occasionally?
