

## Damn

The cat slept in the house today  
A7

I was out of reach away, damn!  
D7 A7

I'm walking on the street again.

You know what I mean my friend, damn!  
D7 A7

My feet don't touch the ground no more.  
E7

The problem's not the shoe that I'm walking on, damn!  
D7 A7

What you see is what you get,

Ain't no talking in the bed, damn!  
D7 A7

I gotta get back that thing to me

That will keep my walking real, again, damn!
