

## Here Comes The Beast

Here comes the beast.

D4/9                    C6/9  
f#    a            f#    e

No one has to fear, anymore.

D4/9                    C6/9            G

Please take me.

D4/9                    C6/9  
b    d            e

I'm the one you need, tonight.

D4/9                    C6/9            G

It's cold, it's cold.

C6/9                    G  
g    e    g            b

And the rain might fall.

                          C6/9            G  
g    g    c            b            b

Doors will close

C6/9                    G

And goals be lost.

                          C6/9            G

Lets pack and catch the Tuesday flight.

D                                    C6/9            G

Pretend that we will stay alive.

D                                    C6/9            G

It's cold . . .
