

If you're old and still play guitar,
(g)(b b b a b)(c)(c)
You know and don't have to try,

And one string is all that it takes,

So let things fall in their place.

It's clear and blue as the sky,

That I have run out of time,

But I can tell you too,

This world will go without you.

The world will go without you,

No matter what you do.

So say whatever it takes,

To stop those lost in the game.

Just one more role to play,

To let things fall in their place,

And I can tell you too,

This world will go without you.
