

Maybe tomorrow,
D

The things that I don't know
D7^m

Will fly like sharp arrows

And bring me down.
G

And the truth without
g

The "don'ts" and the "dos" or the "what if I lo-se"
D Do

Will follow
e7

I'm on a mission,
D

A mathematician
D7^m

Still with a vision
D7

G

And the truth without
g

A proof that you "choose" or the question of "who-se"
D Do

Will swallow.
