

What an ordinary day,
 D D7^m G
 Nothing could happen today.
 D D7^m G
 It rained again,
 e7 A
 And I feel the same.
 e7 A
 But now I know
 G A
 Just how it goes on an ordinary day.
 G A D

Something in the light or sound.
 D D7^m G
 Makes me feel as I'm in clouds.
 D D7^m G
 Flying in the deep blue sky.
 e7 A
 Shiny churches leave behind.
 e7 A
 And all the bells I hear,
 G A
 Say the same to me. It's extraordinary just to be.
 G A G A D

It's an ordinary game
 D D7^m G
 That we're playing everyday.
 D D7^m G
 I know the rules,
 e7 A
 You know my moves
 e7 A
 And when we choose
 G A
 We always lose in this ordinary game.
 G A D

I could run those useful goals.
 D D7^m G
 Running fast and running cold.
 D D7^m G
 But I need this warmth
 e7 A
 'Cause I'm go-oing home
 e7 A
 And tell the Boss
 G A
 That all's not lost
 G A
 'Cause I lost all, I lost all those useful goals.
