

Down came the thunder
A (d)
We were fighting in the ra-in.
D A
Blood in the river
F7^m
But not enough to stop the slay.
G A

Then heard the voices
A (d)
And looked into the ni-ght.
D A
Moon on the river
F7^m
But nothing in the lonely sky.
G A

Throw down your weapons
A (d)
The world's come to the e-nd.
D A
Drink from the river
F7^m
And never fight for stolen land.
G A

High in the mo-untain
a G
In the jungle and the sha-de.
D A
There is a te-mple
a F7^m
And an other, better way.
